For more than 30 years, GORE-TEX products have been delivering comfort and protection so you can enjoy your outdoor activities with confidence. The GORE-TEX membrane is integrated in the garment between the outer material and the lining. It is a perfect barrier to rain and wind, while allowing perspiration to escape.

Primaloft® insulation products offer superior performance in cold weather. Primaloft® is lightweight, breathable and proven to repel water better than any other synthetic or natural insulation.
