SCOTT SPUR MULTI-LENS CASE SUNGLASSES

266004

The SCOTT Spur Multi-Lens Case Sunglasses represent a step further in performance eyewear. The innovative design, with its XL lens creating a perfect shield, is largely focused on protection. The low-profile branches are specifically designed to fit well with helmets, offering added coverage over the temples for optimal comfort. Additionally, the SCOTT Spur features the ELC system, which allows you to switch lenses quickly and easily. The Spur comes with three lenses: a clear one for riding at night or in bad weather, a red chrome Amplifier that enhances contrast in low light and a grey lens that blocks high-intensity rays, thereby reducing eye fatigue on sunny days. These sunglasses also have an adjustable nose piece, and come with a sport multi-lens case and microfiber bag for convenient storage.

FIT: For medium to large faces

TECHNOLOGIES:
